The Omar Faruque Mosque is based in the university city of Cambridge. The local community established the Mosque in 2009. We have an urgent need to payoff the outstanding debt from the original purchase of the building. We urgently need over £110,000 to clear the debts. We are seeking the help of all brothers and sisters in the UK and Europe to **MAKE ALLAH'S HOUSE DEBT FREE** and takeaway the burden of debt. Please help us by **DONATING GENEROUSLY**.
